Dedication

To a man whose boundless energy and ready wit have made him as loved as he is indispensable at Claremont High School. Through the years he has been behind the scenes or in front of a class with a helping hand or smile and a spirit of hard work and cheerfulness that has spread to those who surround him. We will never forget and seldom again find a man who has worked so hard to help us, and taken such an interest in our success. It is with sincerest gratitude for all that he has added in spirit and service to our high school years that we dedicate El Espiritu de 1950 to William W. Booth.

OUR CIRCUS

The circus sounds are a melody;
A whirling tune that's a part of me:
The roaring lion, the rolling drum,
The barker telling the folks to come;

A kindly word to keep up pluck;
An old clown wishing a scared boy luck.

The show in the tent has started now;
Midgets dance and elephants bow;
The seals are flawless; but better than these
Is the daring man on the flying trapeze.

To performers the crowds and lights will give
A thrill they'll remember as long as they live.

The show is over, the music's been played,
We've seen the fabulous circus parade.
The men are taking the big tents down;
The people have all returned to town.

We'll never forget all the fine things we've done:
Our circus of wonderful friends and fun.

JIM WILSON
Class President

Our last year is over now—we won't be coming back again to the chairs and rooms and faces we've known for so long. We are a part of them; we've left our mark, and we hope it will endure. But more than that, these things have left their mark on us—we won't forget the lessons we've learned in human nature. In a way it's been a circus; a gay whirling wheel of games and parties and classes; the flaming red of hilarious evenings; the blue of a day when nothing went right, but then we grew a little. We've paraded through High School like members of a circus parade, but in a circus there is human nature, and a serious lesson to be learned as well.

We are leaving now—and those that are left will carry on the show. We'll miss being a merry part of it all, but we'll have it with us forever, inside: a wonderful, colorful, human, circus.

Juniors

Bob Sanders and Paul Whitham,
 Presidents

This year has proved the class of '51 the most ambitious, hard working, and productive Junior Class we've known at Claremont. Its year-long project of raising enough money to put on the Junior-Senior Prom started with selling tacos, and was climaxed by a wonderfully successful Valentine's Dance given for the parents and faculty. No one doubts that next year's seniors will lead the school with driving energy.

Under the leadership of Bill Norris, the first semester, and David Bosson the second, the Eighth Grade has become prominent in all student activities. They were a prime factor in the organization of the Junior High Student Council. They have also been well represented on the Wolfpacket staff and in the Talent Show. With their drive and enthusiasm, we will be looking for great things from them in years to come.

Lettermen's Club

Headed by all-round athlete Bob Smith, the Lettermen's Club turned in an unusually active year. Bill Story, as Vice-President, and George Madsen as Treasurer held down cabinet positions. As social chairmen, Dick McCargar and Ike Smith put on one of the season's most successful dances. The annual Lettermen's Carnival was held in May, this year in a different location: between the two gyms; but it was the same gay evening it has always been.

COACH COHN, BOB SMITH, COACH SPENCER

Under the able coaching of Mr. Cohn and captained by Bob Smith, the Wolfpack came up with a potentially fine team. Unfortunately, four of the expected eleven returning Lettermen and several likely "B" prospects were unable to come out, leaving only a small squad compared to the large turnout expected. But aside from these facts, the team soon rounded out into a smooth, well organized club. The pack started out strong, winning its first two games, but it was only able to win one league encounter after that. Of the last four games, at least two of these could just as well have been the other way around. The team fought and tackled hard, often outplaying their opponents, but the lack of experienced substitutes was a major handicap. The team, as a whole, was much better than some of the scores indicated, and all but three members of the starting line-up were awarded All Tri-county berths. Bob Dunham, one of the league's best ball carriers, and end Richard MacMillen, made the first team; our passing expert and captain, Bob Smith, and next year's captain, Sam McCarson, a hard fighting guard, won positions on the second team; another hard hitting guard, Bob Sanders, was placed on the third team; and Bill Howell, Dan Simmons, and Boulton Black received honorable mention.

Commencing Tri-County play, the Wolfpack met the Cougars in a game marked by terrifically hard tackling by both clubs, finally decided by Citrus' superior reserve power. On the first play, a Crew to Carr pass, going for fifty yards down to the 2 yard line, set up Bill Shore's plunge over for the score. Claremont grabbed a 7 to 6 lead midway through the quarter on a drive that was climaxed by a complex lateral play: Smith to MacMillen to Dunham; going for 40 yards in all. Dunham smashed over for the extra point. Just before the half, Citrus' speedster, Salce, grabbed a Crew pass and raced 75 yards for a touchdown. In the fourth quarter the Cougars scored 2 points on a safety and the final 6 when Shore swept 5 yards to score after the Pack lost the ball on downs.

In this, the Pack's lone league victory, our spirited eleven fought their way to a temporary tie for second place. Outplaying the Warriors, both in the line and backfield, Claremont scored early in the game. Dunham went for 61 yards on the second play, setting up Captain Smith's score on a 13 yard end run four plays later. Dunham converted. A Smith-to-Wilson pass, sailing 60 yards in the air, set some kind of a high school record. Puente scored in the second quarter on a 33 yard Milanesia-to-Taile pass. In the third period, from the 15, Smith passed to MacMillen on a beautiful play for a touchdown. Smith scored the extra point to climax the victory.

In an officially protested game, the 'Pack dropped a game that was closer than the score indicated to Corona. Both Panther touchdowns were set up by questionable plays. In the second quarter a pass inter-

ference penalty set up Bob Broyles' smash from 10 yards out. A hot argument was set off when a Dunham punt was fumbled by Broyles and recovered by Claremont. Corona got the ball, after the officials changed their minds three times, and immediately drove for a touchdown.

This traditional rival game ended on a somewhat sour note as the fired-up Tri-County champs, loaded with reserve power, routed our game but outplayed gridders. Bonita's star, Frank Dennis, tallied first from the one yard line. Claremont roared back and drove 53 yards, climaxed by Smith's 12 yard run. Dunham's kick was wide. Billy Mann, Bonita's fullback, plowed nine yards for their second touchdown. A 35 yard Dennis-to-McKendrick pass scored again for the 'Cats. Dennis powered over again and the halftime score was 28-6. Claremont's second tally came on another Smith end run after a 49 yard drive. The attempted pass for conversion failed. Bonita's next two tallies came on two long runs by Gaeta.

Our fired-up Wolfpack completely outplayed the Cowboys in the first half, but Chino's superior reserve power paid off in the end. Claremont threatened consistently at the start, driving to the 25, 11½, and 28, but just couldn't seem to score. On the first play Dunham broke away for 60 yards. Our tired gridders began to fade in the third quarter, as Chino scored a safety. A few moments later Guillen scored from one yard out. The conversion was good. Late in the game Guillen scored again from the 11 and had another 73 yard touchdown run called back.

B Football

The B Football squad started the season off with one count against them. The majority of their best players were also serving on the Varsity football team, and so it became a job for Manager Bill Binckley, to keep together enough boys for a complete team. In their two intra-school games they were unsuccessful at bringing home victories, but gained from the encounters valuable experience which will help them later on in their football career.

CAPTAIN BILL STORY

Basketball

Smashing to what was perhaps the most successful basketball season in the annals of Claremont High School, the Wolfpack cagers, under the outstanding guidance of Coach Bob Spencer and the able leadership of Captain Bill Story, swept to the unofficial league title for the second consecutive year and to the finals of the C. I. F. playoffs as well. Paralleled only by last year's wonder team, the "Pack," despite winning the league playoff, ended up co-champions with Chino.

Coach Spencer, who, although being at C. H. S. only two years, has directed his team to the only two championships in the history of the school, deserves all the credit given him.

The Playoff

Claremont 39 Chino 28

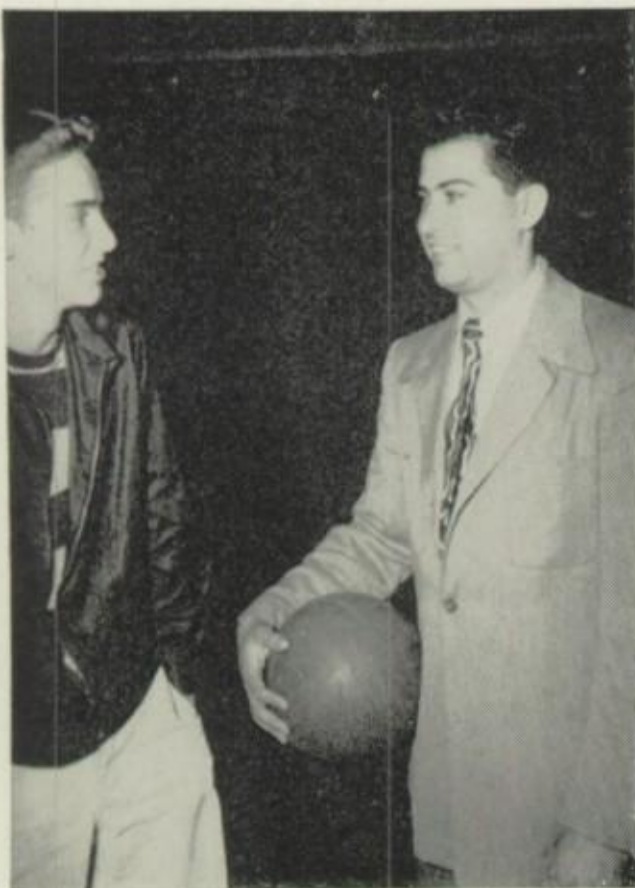

This sensational, nerve-racking game will forever be remembered by spectators as well as participants. Who can ever forget the packed Chaffey gym, Story's memorable tying free throw in the last five seconds, or the 'Pack's complete 11-to-0 superiority in the overtime period? With a 15-all halftime score, the game never produced more than a three point lead either way. Story proved to be the difference, scoring 22 points and playing the best game of his High School cage career.

Captain Buddy Bosson
Coach Mr. Denes

While the B basketball team was not too successful, the boys acquired a wealth of experience which will stand them in good stead for the future. Their spirit and enthusiasm were unexcelled, and these boys should strengthen our varsity a great deal next year.

Mr. Denes deserves a great deal of credit for the fine manner in which he coached the team. Under his guidance the team showed marked improvement in each tilt as the season progressed.

Junior High Basketball

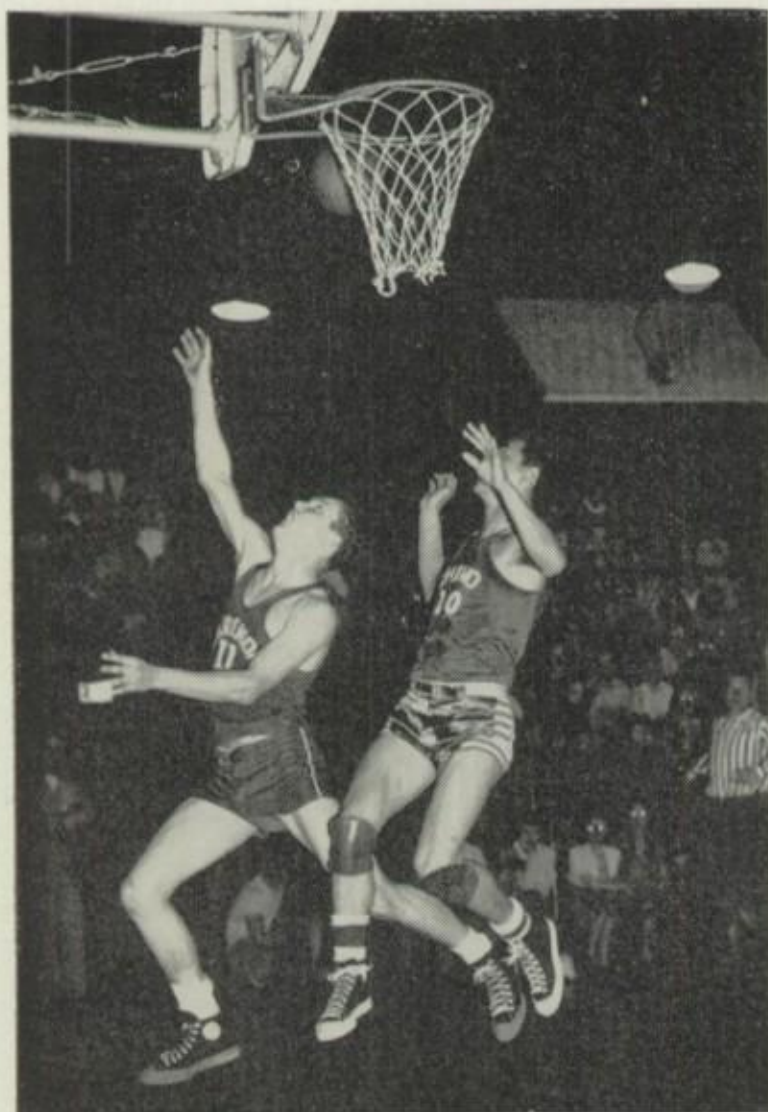

The Junior High Basketball team, coached by Mr. Jones, went through the season undefeated. With the high scoring Steve Gonzales, closely followed by Mike Gray, and the high class, scrappy floor play of all the boys, it looks like we should continue to enjoy championship teams at Claremont for the next three or four years.

Setting the pace in this year's basketball season were those three irreplaceable seniors, Bill Story, Bob Smith, and Bob Dunham, who made the all-league first team, and Paul Whitham, who placed on the second, as Claremont completely dominated the selections.

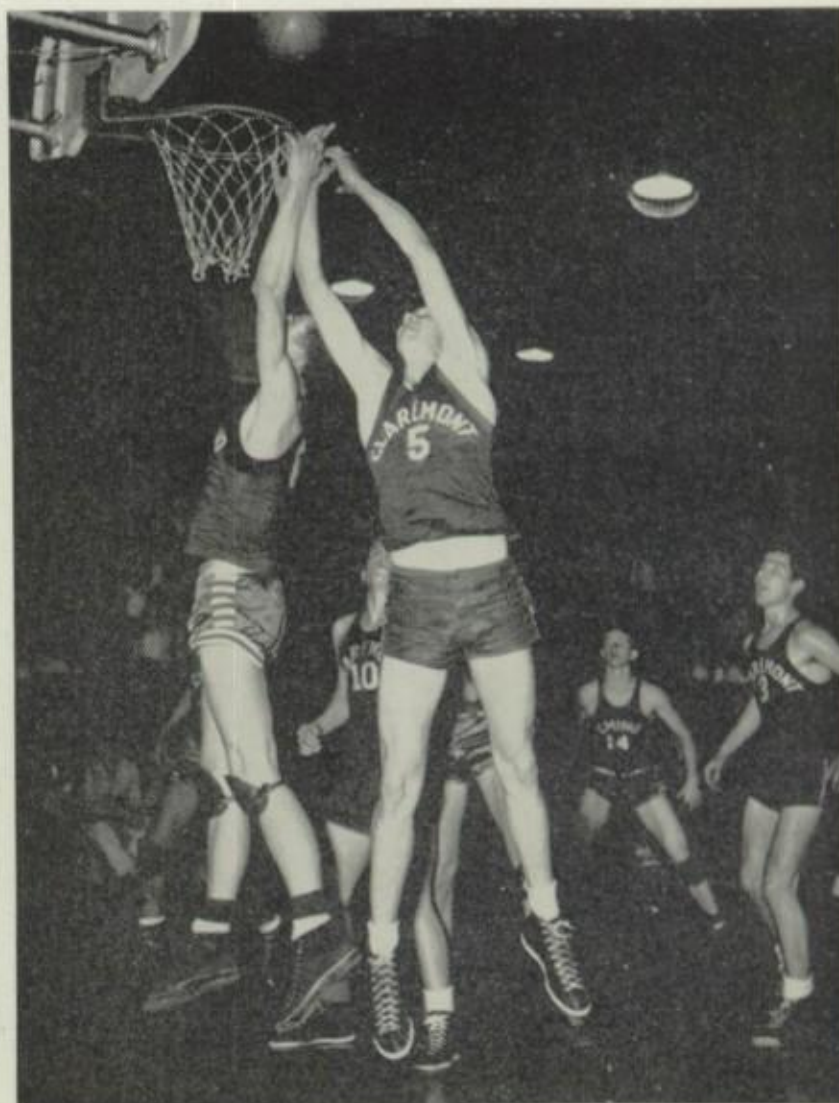

Captain Story ran away with the league scoring race by tallying 148 points in Tri-County play and 289 in all. An excellent rebounder with a deadly eye, our 6' 5" center was the deciding factor in many games. Bob Dunham, a great set-up man, was the league's third highest scorer with 104 points. That deadly hook and set shot artist, Bob Smith, was the best dribbler and ball handler in the league while hooping 81 digits. Deadeye Paul Whitham scored 83 in league play. One must never forget the excellent floor play of George Madsen and Gil Oliver's ability to come through when needed most.

Track

RICHARD MacMILLEN, Captain

This year's cinder squad was ably coached by Lyle Martin, veteran track coach at Claremont. The team had many sterling performers but lacked the necessary depth to do as well as it might have. If they were to win any meets, the boys realized their points must be earned by firsts; and they consistently came through in the sprints, hurdles, and field events. Paced by Captain Richard MacMillen and high point getter Bill Howell, the team swept to nine out of eleven firsts and won all the field events to swamp Chino.

The Bonita meet was not decided until the last relay, which the Bearcats took to win. Bruce Chester (a "B" man jumping "A") broke the school's "B" high jump record with a leap of 5' 9 $\frac{3}{4}$ ", an inch over his height. MacMillen, Gnier, Howell, and Dunham also took firsts. Although losing the Corona-Webb triangular meet, our tracksters showed sparks of brilliance at times against two of Southern California's track powers.

B Track

This year's Beeweight track team was severely handicapped by advances from their members to the manpower-short varsity. Nevertheless, they fought hard throughout the season and beat their cross-town rivals, Webb, 52 to 38. Always lacking experience, they got off to a poor start, dropping their first three meets, to Chino, 66-29, Bonita 69-26, and Corona, 58 $\frac{1}{3}$ -36 $\frac{2}{3}$. Robert Gonzales proved to be the top point-getter, his greatest victory coming in the Corona-Webb triangular meet as he swept both hurdle races in brilliant form. Glenn Swick, Charles Hale, and Boulton Black also won their share of victories.

Possessing the same difficulties as the Bees, such as lack of material and experience, the C team, paced by Allen Smith and Douglas Peck, lost their first two meets to Chino and Bonita, 53-22, and 58½-18½.

TIME OUT—G. Madsen, B. Smith, B. Dunham, B. Head

Because of the prolonged basketball season, the baseball team, under the capable coaching of Mr. Cohn and captained by Bob Dunham, got off to a rather slow start by dropping the first two practice tilts. The team suffered that same old trouble: lack of experience (there were only three seniors on the team). Since over half the squad was composed of Freshmen and Sophomores, Coach Cohn used the season mainly for the building of future teams. Although much of the team was composed of inexperienced players, it also included several of the league's leading ball players. Captain Dunham was one of the hardest hitting and most outstanding players in the league, and is expected by Mr. Cohn to really go places in future baseball. Another great player was our pitcher, Bob Smith. The first Citrus game proved to be one of the most exciting games of the year; Bob Dunham hit five for five, including two homers and a triple, and Bob Smith pitched a sensational three hitter.

G. A. A.

The G. A. A. had a very successful year under the capable leadership of Florence Hale. The association promoted mutual friendship, teamwork, sportsmanship, and cooperation. Every Monday and Wednesday the girls came out faithfully to practice for the coming playdays. Citrus was host for the Basketball contests, and although all the teams played hard, the Sophomores were the only ones to come out victorious. Speedball playday at Corona (a rather wet one) saw the Seniors and the Freshmen winning their games. Hockey playday was held at Puente, and only the mighty Seniors triumphed there. The G. A. A. has raised a considerable amount of money this year, and plans to spend it for the betterment of some aspect of the school.

Annual Staff

Putting out an annual is not an easy job. It first involves raising all the money needed to publish the book; a task accomplished by this year's 14 staff members through food sales, a Basketball Medley, the Talent Show, and walking the streets to sell advertising space. Toward the end of the year the staff members whose job it is to put the annual together robbed class time and sleeping time to create your annual: *El Espiritu de 1950*.

Wolfpacket Staff

Every other Friday (come smudge or snow, plays or talent shows), the Wolfpacket staff managed to put out another edition of our school paper, so all students could know the latest concerning school events, sports, themselves and their friends. At first, deadline day meant chaos, but under the expert editorship of Mary James and Charles Stivers, the job became easier, and the results better, with each passing issue.

We're all justifiably proud of our paper, printed now for the third year, and with the introduction this year of professional-looking three column pages, and pictures.

Key Club

The Key Club established itself as a real service organization this year, living up to its motto, "We build." Along with such activities as taking charge of parking cars for the home basketball games, and digging the hole for the base of the memorial flag pole to be erected at the Park, the Key Club performed a real service for the school in widening the circular driveway in front of the building. Holding its regular Tuesday noon luncheon meetings the Club had some interesting programs and took part in exchange meetings with the Pomona High School Key Club. Bob Vonder Reith and President Bill Binckley represented the club at the California-Nevada District Convention in Berkeley last March, bringing home many good ideas for the Key Club.

Girls' League

The Girls' League, composed of all the girls in the Senior High School, has just completed one of its most successful and outstanding years. With the spark provided by President Margie Day and Mrs. Mahoney, advisor, some new activities were started which added interest and success to the program: monthly birthday parties, and a group of coordinated committees which included every girl in some job.

The Valentine Fashion Show was an impressive affair; Claremont High girls made striking models. And the Girls' League Formal stood as a glittering climax to a full and productive year.

Red Cross

In years past the Junior Red Cross has carried on drives for funds; and very successfully. But this year their drive was a new experience for most of us. The High School and the Grammar School went together in a project to collect school materials and clothes for the children of a small school in rural France. The efforts of interested, persevering Red Cross Representatives made this drive, also, a success. Nearly everyone found something to donate to children who needed the things so badly.

Spanish Club

The Spanish Club is a newly organized group this year sponsored by Mrs. Harris. Its membership is open to anyone in the school, whether they know Spanish or not, in the hope that more students will take an interest in Latin American affairs, customs, and people. Meetings are planned on Thursdays and include a wide variety of activities. In addition to this, three parties were given—a trip to Padua Hills, a Christmas party, and a taco dinner and the show, Don Quixote.

Band

Last year Claremont saw the first plans for a band being laid by our industrious song leaders, but it was not until this year that it really got a strong foothold. Under the able direction of Mr. Denes, the band developed into a fairly large group of students that we were all proud to have represent us at each and every basketball game this season. They practiced diligently with the song leaders every week after school, and were rewarded not only with the satisfaction of fine performances, but beautiful red and white band uniforms.

Ensemble

The Ensemble is an especially hard working group of girls who do all their practicing outside of school on Tuesday afternoons under the direction of Miss Corbeil. They are called upon any number of times each year by both service and social groups to entertain. Not only did they compose the major parts of the Christmas Pageant and the Exchange Assemblies, but they were the backbone of this year's Talent Show.

Behind the glamour and excitement of the stage is the ever-laboring Stage Crew, which makes our productions possible. The Student Body Play, given in December under the direction of Mrs. Ferrall, was the riotous "Charley's Aunt," of Broadway fame. The plot centered around the problems of two college students whose girl friends couldn't visit them unless properly chaperoned by Charley's aunt from Brazil. Unfortunately, Charley's aunt failed to arrive on schedule and a college friend had to be pressed into service in her place. At this point the complications became really hilarious. The Claremont cast, headed by Charles Stivers, rollicked through the evening, enjoying themselves as much as the audience enjoyed watching them.

Letterman's Dance

The Lettermen's Clubs are known for the fine dances they put on annually and this year was no exception. Everyone was there, for this, the first dance of the year, held at the Multi-Use Building, October 29, 1949. Tacos, rootbeer, and cokes were served, and as one looked about the tables, everyone seemed to be thoroughly enjoying themselves. The style was a nightclub, semi-formal, and Bill Story spun the records. The success of the evening was due to the careful planning on the part of Bob Smith, President, and Dick McCargar and Ike Smith, Social Chairmen.

This year the Annual Staff devised a new system of advertising which has proved to be far more satisfactory than the old one. Under this plan the merchants and interested townspeople have donated their money and are listed below as sponsors, who are backing Claremont High and its activities. To them we owe our sincerest appreciation, for they have made this a better yearbook by donating their advertising space to more pictures of you and your activities.

"If it's written—we write it"

Hi ya hon,

this sure has been some year, don't you think. We sure have been through a lot together and it has been just plain wonderful. It has been so fun going with you this year and I hope the rest of our lives are as happy as this. I sure will miss not having you around this hole next year. You are the only thing that made it bearable. I can't write all I would like to here but I will tell you "I love you, I love you I love you." Just think about the wonderful dances we have been to and the wonderful, marvelous, colossal times we have had. I can't quite believe it because it is too great to be true. I hope you love me as much as I love you. Well I can tell you how so I won't drag this are together every and be good keep on girl to be going with (had to add that for and cutest guy I know but don't get confused because I bet all the girls

THE END

all my love and kisses hon,
Gloria

Dear Jim,

(Gloria gave me permission to be so familiar)
This has certainly been a year, so much has happened. But it all usually turns out for the best ha! You and Gloria are the nicest kids I know and I think you were made for each other. Don't let anything come between you and Gloria, remember (remember) to be kind to her because of her affliction (Feeble-minded). I will always do anything I can to help you two, isn't that nice of me, but it's true. This is all for now, as they are serving punch and cookies in the library and naturally I must go.....
But love to you both and all the love in the world

Barbara

Tim -

Well guy another year gone by and the only good kids in the school leave. (well some of them are good anyway!) Sure has been swell knowing you this year. Hope you have lots of fun in your future years. Be real good to Gloria because you have sure got a wonderful girl there! But you already know that don't you? I probably won't be seeing kids around this summer, so take good care of the guy I call mine, even if he isn't!!! Well take care of yourself and be good——

love and kisses—

miki caye
